Appl. No. 10,538,433 Confirmation No. 1876

Amendment and Response dated January 3, 2008 Reply to Office Action of October 16, 2007

REMARKS

Applicants have received and reviewed an Office Action dated October 16, 2007.

Applicants have amended claim 13. The amended claim finds support throughout the application. No new matter is presented.

the approaches. To hew matter is presented.

For the reasons given below, Applicants submit that the amended claims are in condition for allowance and notification to that effect is earnestly solicited.

35 U.S.C. 112, First Paragraph

The Examiner rejects claims 13-15 under 35 U.S.C. § 112, first paragraph, because the Examiner contends the specification, while being enabling for a method of

treating skeletal muscle injuries in an animal, does not reasonably provide for enablement for a method for treating bone defects or bone fractures in an animal. Applicants traverse

the rejection.

While the Applicant maintains that the subject matter of the claims as previously

presented is fully enabled by the description, in order to expedite prosecution, Applicants have amended claim 13 to refer to skeletal muscles injuries. Applicants submit that as

the Examiner admits that such a method is enabled, Applicants request withdrawal of the

rejection.

SUMMARY

In view of the above amendments and remarks, Applicant respectfully requests a Notice of Allowance. If the Examiner believes a telephone conference would advance the prosecution of this application, the Examiner is invited to telephone the undersigned

at the below-listed telephone number.

Respectfully submitted,
